Always, he was good with Barty, and on this occasion, he teased more than the usual number of smiles and giggles from the boy as he tried to get him to read the Snellen chart on the wall. Then he lowered the

lights in the examination room to study his eyes with an ophthalmometer and an ophthalmoscope. This ended any hope of romance, and he was disappointed. A less self-controlled man might have seized a nearby bronze vase-fashioned to resemble dinosaur stool-and stuffed her into it or vice versa. "Maybe because we didn't want to be called witches," said Obadiah with a smile, "and give folks one more reason to hang us." Under a declining moon, he fled discreetly three blocks to his Suburban, parked on a parallel street. He encountered no traffic, and on the way, he stripped off the gardening gloves and discarded them in a Dumpster at a house undergoing remodeling. "We don't sell no pizza," Angel said, because lately they had received a few calls for a new pizzeria with a phone number one digit different from theirs. Rena laughed. "Oh, but true! And not just a garden. I'm a field of flowers!" She let go of her skirt, which shimmered like cascades of falling petals. "So tonight will be a famous night, Celestina." "But before you leave St. Mary's," the physician said, "I'd like a few mutes of your time. It's very important to me. Personally." Junior attended a New Year's Eve party with a nuclear-holocaust theme. Festivities were held in a mansion usually hung with cutting-edge art, but all the paintings had been replaced with poster-size blowups of photos of ruined Nagasaki and Hiroshima. Nolly shuddered. "The wilds of Oregon. I don't intend ever to go there until it's civilized." The adoption records on Seraphim White's baby weren't sealed by law, because custody of the child was being retained by family. Eleven years later, a few months after marrying Agnes, Joey mysteriously invited Edom to accompany him on "a little drive," and took his bewildered brother-in-law to a nursery. They returned home with fifty pound bags of special mulch, jars of plant food, and an array of new tools. Together, they stripped the sod from the side yard, turned the soil, and prepared the ground for the rich variety of hybrid starter plants that were delivered the following week. The night seemed to be longer than a Martian month. Agnes dozed, fitfully, waking more than once, sweaty and shaking, from a dream in which her son was taken from her in pieces: first his eyes, then his hands, then his ears, his legs. . . . The wine tasted bitter, but Celestina knew that it was sweet. The bitterness was in her, not in the legacy of the grape. Barty, didn't watch much television. He'd been up late enough to see Red Skelton only a few times, but that comedian always drew gales of laughter from him. He shouldered past two counter waitresses, past the short-order cook who was working eggs and burgers and bacon on the open griddle and grill. Whatever expression wrenched Junior's face, it must have been intimidating, for without protest but with walleyed alarm, the employees squeezed aside to let him pass. On the fourth floor, at Dr. Klerkle's suite, the hall door stood ajar. Past office hours, the small waiting room was deserted. Thursday evening, his third in the hotel, he returned to the lounge for cocktails and another steak. The same tuxedoed pianist provided the entertainment. . . do further testing, of course, but not until he's been stabilized at least twelve hours. Personally, I don't think we'll find any physical cause. Most likely, this was psychological-acute nervous emesis, caused by severe anxiety, the shock of losing his wife, seeing her die. Prudence required that they strategize as though Enoch Cain were Satan himself, as though every fly and beetle and rat provided eyes and ears for the killer, as though ordinary precautions could never foil him. Junior felt a little lightheaded. He felt strange. He hoped he wasn't coming down with the flu. Maybes were for babies, but Caesar Zedd had failed to provide a profundity with which Junior could ward off the what-ifs as easily as the maybes. Junior shuddered. Vanadium hadn't invented the name. It had genuine if inexplicable resonance with Junior that had nothing to do with the detective. He nodded. "You do. Yes. But you don't need to know right now. Later, when you're calmer, when you're clearer. It's too important to rush you through it now." "Is it as bad as that?" Celestina wondered plaintively, though she knew the answer. "I love San Francisco. The city inspires my work. I've built a life here. Is it really as bad as that?" He was a pretty good detective, but as regarded the minutiae of daily life, he wasn't as organized as he would like to be. He never remembered to set aside his holey socks for darning; and once he had worn a hat with a bullet hole in it for nearly a year before he'd at last thought to buy a new one. The formless apprehension with which she had awakened at 1:50, Tuesday morning, had returned to her from time to time during the past couple days. Now, here it came again, pinching her throat and tightening her chest-at last beginning to take form. "I hope it was all right I let him in, Mr. Cain." Sparky had a capuchin's overbite, too. "He told me it was an emergency." His silent tears accomplished what his words could not: Nork, Knacker, and Hisscus retreated, urging him to speak to his attorney, promising to return, once more expressing their deepest condolences, perhaps as abashed as attorneys and political appointees could get, but certainly confused and unsure how to proceed when dealing with a man so untouched by greed, so free of anger, so forgiving as the widower Cain. Assuming this criticism was amusing hyperbole, Junior laughed, but Sklent squinted those virtually colorless eyes, and Junior's laugh withered in his throat. "Well, maybe that's how it'll work out," he said, wanting to be on Sklent's good side, but he was at once sorry he'd spoken those words in front of witnesses. "Oh, Wally, I am worried. I'm deeply worried. My mama is going to buy herself a first-class ticket to the fiery pit if she doesn't stop this prevaricatin'." "I've always wanted to learn the piano myself," Junior claimed, "but I guess you really have to start young." Slowly rotating his raised hands before his eyes, as if he saw them young and supple-fingered, the magician described the amazing manipulations that a master card mechanic could perform. Though he spoke without flash or filigree, he made these feats of skill sound more sorcerous than hares from hats, doves from scarves, and blondes bisected by buzz saws. Aftermath was not important. Only movement mattered. Just forget the busload of nuns smashed on the tracks, and stay with the onrushing train. Keep moving, looking forward, always forward. Fear of the unknown is a weakness, for it presumes dimensions to life beyond human control. Zedd teaches that nothing is beyond our control, that nature is just a mindlessly grinding machine with no more mysteries in it than we will find in applesauce. Continuing to avert his eyes from the battered face and the two tone eyelids, Junior found the keys in an exterior pocket of the sports jacket. The credentials were tucked in an interior pocket: a single-fold leather holder containing the shiny badge and a photo ID. To the waiter, Nolly was Nolly, Kathleen was Mrs. Wulfstan, and Tom Vanadium was sir--though not the usual perfunctorily polite sir, but sir with deferential emphasis. Tom was unknown to the waiter, but his shattered face gave him gravitas; besides, he possessed a quality, quite separate from carriage and demeanor and attitude, an ineffable something, that inspired respect and even trust. The following April, when he proposed to her, she wouldn't have him. "You're sweet, Paul, but I can't let you throw your life away on me. You're this . . . this beautiful ship that will sail a long way, to fascinating places, and I'd only be your anchor." Assisted by Edom and Jacob, Agnes-in a wheelchair-was rolled across the grass, between the headstones, to her husband's final resting place. Although no longer in danger of renewed hemorrhaging, she was under doctor's orders to avoid strain. Jacob had been born with the requisite dexterity and more than sufficient memory function. His personality disorder-which made him unemployable and guaranteed that his social life would never involve endless rounds of parties-ensured that he would have the free time needed to practice the most difficult techniques of card manipulation until he mastered them. Two teenage boys and one elderly woman scrambled across the sidewalk, grabbing at the ringing rain of quarters. They caught some,

but others bounced and twirled through their grasping fingers, rolling-spinning away into the gutter.. "No, I don't see it," Chicane repeated. "There's no benefit to a meditation marathon. Twenty minutes is enough, man. Half an hour at the most. You relied on your internal clock, didn't you?". Fortunately, he'd kept neither cash nor his checkbook in the suitcase. With Zedd intact, his losses were tolerable.. Suddenly and seriously crept out, Junior wanted to get away from this nut case. Yet he was frozen by morbid fascination.. When the sound-suppressor was properly attached to the pistol, Junior Cain leaned closer to the girl, peered into her eyes, and whispered, "Naomi, are you in there?" Near the top of the stairs, Barty thought he heard voices in his bedroom. Soft and indistinct. When he stopped to listen, the voices fell silent, or maybe he only imagined them.. Celestina was amazed by her own courage in combat and by the steady calm that served her so well now. She wasn't shaken by the thought of what might have happened to her, and to her daughter, because her mind and her heart were with Wally- and because, having been watered with hope all of her life, she had a deep reservoir on which to draw in a time of drought.. PERRI'S POLIO-WHITTLED body did not test the strength of her pallbearers. The minister prayed for her soul, her friends mourned her loss, and the earth received her.. terrified, the thorns pricking so close to his eyes, green points combing his lashes. He's too weak to resist, disabled. These weren't lakes of blood, just smears, so Junior could wipe them up quickly, once he got the corpse out of the hallway, but the sight of them further infuriated him. He was here to bring closure to all the unfinished business of Spruce Hills, to free himself from vengeful spirits, to better his life and plunge henceforth entirely into a bright new future. He wasn't here, damn it, to do building maintenance.. Nevertheless, Thomas Vanadium's hostile ghost, that terrible prickly bur of stubborn energy, wasn't done with Junior yet. Until Bartholomew was dead, the cop's filthy-scabby-monkey spirit would keep coming back and coming back, and it would surely grow more violent.. Yet he didn't fault himself for a lack of sensitivity. He'd met this woman only once before. He wasn't emotionally invested in her as he had been in sweet Naomi.. "Couldn't carry these three ladies," he said. "Svelte as they are, they still weigh more than a backpack..". After the song concluded, Junior felt better. His heartbeat soon returned to normal. The damp palms of his hands grew dry.. Great hobnailed wheels of pain turned through Agnes, driving her into darkness for a moment.. Granted that he was only three going on four, nevertheless Barty had never met anyone with as much cheerful imagination as Angel. He intended to marry her in, oh, maybe twenty years.. If he was left standing on the porch, the visitor would circle the house, peering in windows where the drapes were not drawn, trying the doors in hope of finding one unlocked. Fearful that Victoria was sick or injured, that perhaps she had slipped on a pat of butter and cracked her Mad against the corner of an open oven door, he might try to force his way inside, break a window. Certainly he would go to the neighbors to call the police.. The one piece he had purchased was by a young Bay Area artist, Bavo! Poriferan, about whom art critics nationwide were in agreement: He was destined for a long and significant career. The sculpture had cost over nine thousand dollars, an extravagance for a man trying to live on the income of his hard-won and prudently invested fortune, but its presence in his living room immediately identified him, to cognoscenti, as a person of taste and cutting-edge sensibilities.. On the other hand, killing a stranger like Bartholomew Prosser relieved stress better than sex did. Senseless murder was as relaxing to him as meditation without seed, and probably less dangerous.. In his entire life, Junior had never suffered this much pain without first having killed someone. Reluctant to depart until certain that his student was out of danger physically, emotionally, and mentally, Bob Chicane stayed until three thirty. When he left, he broke some bad news to Junior: "I can't keep you on my student list, man. I'm sorry, but you're way too intense for me. Way too intense. Everything you do. All the women you run through, this whole art thing, whatever all those phone books are about- now even meditation. Way too intense for me, too obsessive. Sorry. Have a good life, man..". Room to room through the upstairs. Checking closets. Behind furniture. Bathrooms. In Paul's private spaces. No Cain.. Avoiding the graveled driveway, on which he was more likely to scuff his freshly polished loafers, he approached the house across the lawn, beneath the moon-sifting branches of a great pine that made itself useless for Christmas by spreading as majestically as an oak.. Whereas Edom feared the wrath of nature, Jacob knew that the true hand of doom was the hand of humankind.. So it became dangerous to practice sorcery, except under the protection of a strong warlord; and even then, if a wizard met up with one whose powers were greater than his own, he might be destroyed. And if a wizard let down his guard among the common folk, they too might destroy him if they could, seeing him as the source of the worst evils they suffered, a malign being. In those years, in the minds of most people, all magic was black.. Her strength was the strength of stones only in the sense that she felt as immovable as rock, yet she found the resources to raise one arm, to place her left hand over Maria's bead-tangled fingers. "But the baby's dead..". AT ST. MARY'S HOSPITAL, where Wally had brought Angel into this world three years ago, he was now fighting for his life, for a chance to see the girl grow and to be the father she needed. He'd been taken to surgery already when Celestina and Angel arrived a few minutes behind the ambulance.. "Chateau Le Bucks, 1886. We can have a bottle of that or you could buy a new car, and personally I believe thirst comes before transportation..". Celestina's question had been about Phimie, but they had told her about the baby, and she was alarmed by their evasion.. From a distance and through a scattering of trees, Junior wasn't able to discern much about the other funeral, but he was pretty sure many if not most of that crowd were Negroes. He surmised, therefore, that the person being buried was a Negro, too.. Acutely aware that someone with more need than patience might soon rap at the locked door, Junior dropped back into the men's room.. "I've got hundreds of files on cases like that," said Jacob, "and much worse. If you're interested, I'll get you copies of some..". Wally switched off the engine and killed the headlights. "Home, where the heart is..". The birthmarked man identified himself as Detective Thomas Vanadium. He did not use the familiar, diminutive form of his name, as had the doctor, and his voice was as uninflected as his face was flat and homely.. deodar cedars with layers of drooping branches surrounded the place, and usually they seemed sheltering, but now they loomed, ominous.. That was another thing. Junior hadn't gotten his noon meal, because the spirit of Vanadium had nearly caught up with him when he'd been browsing for tie chains and silk pocket squares before lunch. Then he missed dinner, as well, because he had to maintain surveillance on Celestina when she didn't go straight home from the gallery. He was hungry. He was starving. This, too, she had done to him. The bitch.. place settings. He returned with them to the kitchen and put them in the lower oven, as though Victoria were using it as a plate warmer.. If Agnes knew that Jacob had been helping her game, she might never play cards with him again. She would not approve of what he had done. Consequently, his great skill as a card mechanic must be forever his secret.. FOLLOWING A SECOND NIGHT at the Sleepie Tyme Inne, waking at dawn, Junior felt rested, refreshed- and in control of his bowels.. He vanished through some hole, some slit, some tear bigger than anything through which Tom flipped his quarters.. No time for horror, disgust. Every second mattered now, and every minute might cost another life.. Or perhaps the sorrow was less sadness than yearning. He had to move on, but he

was loath to begin this strange journey without her..HAVING COMPLETED HER English lesson, Maria Elena Gonzalez went home with a plastic shopping bag full of precisely damaged clothes and a smaller, paper bag containing cherry muffins for her two girls..He took a long shower, as hot as he could tolerate, until his muscles felt as soft as butter..Neddy's face didn't appear to be as pale as it had been earlier. An undertone of gray, possibly blue, darkened the skin..Find the father, kill the son. In just nine days, Junior bedded four beautiful women: one on Christmas Eve, the next on Christmas Night, the third on New Year's Eve, and the fourth on New Year's Day. For the first time in his life-and on all four occasions-his joy in the act was less than complete..Never before had she put faith in any form of prognostication. In the whispery falling of those twelve cards, however, she heard the faint voice of truth, not quite a coherent truth, not as clear a message as she might have wished, but a murmur that she couldn't ignore...Judging by the sounds Vanadium made, Junior figured that the cop had settled once more into the armchair..In spite of her nature, Agnes could not find forgiveness in her heart this time. Words of absolution clotted in her throat. Her bitterness dismayed her, but she could not deny it..After carrying the two pieces of luggage to the car in the garage, he returned to the study. He sat at the desk and examined the contents of the drawers, then turned to the file cabinet..Reminding himself that nature was merely a dumb machine, utterly devoid of mystery, and that the unknown would always prove familiar if you dared to lift its veil, Junior discovered he could move. Each of his feet seemed to weigh as much as one of Wroth Griskin's cast bronzes, but he crossed the sidewalk and went into Galerie Coquin..Life was too short to waste it working if you had the means to afford lifelong leisure..ON THE FOLLOWING Tuesday afternoon in Bright Beach, across a sky as black as a witch's cauldron, seagulls flew out of an evil brew toward their safe roosts, and on the land below, humid shadows of the..As long as Junior continued to fake sleep, the cop couldn't be absolutely sure that any deception was taking place.. "Well," Tom said, "those people who think it's just a trick generally react bigger than you folks, and you know it's real."..obsessed with humanity's sorry penchant for destroying itself either by intention or ineptitude--491 suffocated and burned alive on an evening meant for champagne and revelry..She was shaking and so afraid, not thinking clearly, and for a moment she didn't understand what he meant, what he wanted, and then she saw that the window on his side of the car was shattered, too, and that the door beyond him was badly torqued, twisted in its frame. Worse, the side of the Pontiac had burst inward when the pickup plowed into them. With a steel snarl and sheet-metal teeth, it had bitten into Joey, bitten deep, a mechanical shark swimming out of the wet day, shattering ribs, seeking his warm heart..Nolly was, as usual, "Nolly" to everyone, but here Kathleen was "Mrs. Wulfstan."..As always, curious about how others lived-or, in this case, bad lived-Junior explored the house, poking in drawers and closets. For a widower, Bartholomew Prosser was neat and well-organized..He was about to lift the body out of the chair when he heard the car in the driveway. He might not have caught the sound of the engine so distinctly and so early if the stereo had not been in the process of changing albums..Now Junior threw back the covers and sprang out of bed. In double briefs, he restlessly roamed the hotel room..Junior approached the headstone from behind, circled it, and shone the flashlight on the chiseled facts:
